AMAYA

HALKIN ARCADE, MOTCOMB
ST, SW1X 8JT (AMAYA.BIZ;

This beauty from the Chutney Mary people, *below right*, is ageing very gracefully. It's a thoroughbred of a restaurant and romantic too – in the evening it seems to float on a sea of candles. The conceit is tangy Indian street food upgraded to a luxurious setting. With a dramatic tandoor set within the room, they carry it off, sending out terrific tandoori dishes like smoky lamb chops. But charcoal also proves to be a great medium for cooking delicate fish if you know what you're doing – and these guys do. **EEEE**
