CHUTNEY MARY

73 ST JAMES'S STREET, SW1A 1PH (CHUTNEYMARY.COM; 020 7629 6688)

No more brown food on the plate,' has long been Chutney Mary co-owner Namita Panjabi's mantra. And indeed, these sophisticated, reworked dishes of British India are light years away from the curries of yore. Some of them, like tandoori duck salad and lobster chilli fry are, in fact, downright modern. Now well established at its swish new address, Chutney Mary offers glamorous, upscale Indian dining – a handsome room, elegantly dressed tables, assured cooking and oodles of fun. ££££
